Re: United States of America, Walker River Paiute Tribe v. Walker River Irrigation District, et al.

Dear Ms. Sharer:

On behalf of American Tower Management, Inc., I have enclosed a signed Disclaimer of Interest in Water Rights and Notice of Related Information and Documentation Supporting Disclaimer.

American Tower disclaims any interest in the water rights because it owns only the building and microwave tower located at Topaz Lake, Nevada, which it purchased from AT&T Corp. AT&T also assigned to American Tower a right-of-way for the site and access road, which was originally issued to AT&T by the U.S. Department of Interior, Bureau of Indian Affairs (please see the enclosed Right-of-Way Grant). American Tower has no interest in the water rights because it owns only the building and tower, not the land on which the well in question is located.

If any questions should arise regarding this matter, please contact me at 617-585-7773.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew D. Galvin".
